RE: Public Records Act Request

To whom it may concern:

This is in response to your Public Records Act Request dated January 1, 2019, requesting the following, "All possible information on all parking tickets between 2008 to the present day."

We have searched our records and have provided a redacted spreadsheet with the data requested. These records have been redacted pursuant to Gov't Code § 6254(f), which allows for redactions of confidential information, such as license plate and vehicle identification numbers.

Sincerely,

A handwritten signature in black ink that reads "S. Norman for C-2". The signature is written in a cursive, flowing style.
